Why be part of the "Ormanj Race 2024" project?

- **Promotion of a healthy lifestyle and physical activity:** Our project inspires and motivates all generations to engage in physical activity, raising awareness of the importance of a healthy lifestyle.
- **Strengthening the community:** We offer an opportunity to strengthen relationships within the local community, support volunteerism, and create a network of new professional and personal connections.
- **Environmental conservation:** We emphasize ecological responsibility and raise awareness about preserving natural wealth through our activities and promotion.
- **Education and heritage promotion:** The routes of our race pass through culturally and historically significant places, offering an educational experience while simultaneously promoting the richness of our region.
- **Media exposure:** Strong promotion of the event through social networks and local media guarantees exceptional visibility of your brand in the areas of health, sports, and ecology.

Together, we can create an event that will be remembered and become a favorite annual meeting place for all nature, sports, and culture enthusiasts, while simultaneously promoting your brand and contributing to the community.
